

CONTRACT

Garden Earth Naturalist Science Night Kits

FEE

In order for your organization to reserve the Garden Earth Naturalist (GEN) Science Night Kit, the Georgia Museum of Natural History requires the basic rental fee of \$50.00. This amount covers consumable supplies for 100 students. If you need materials for up to 200 students, the fee is \$100.

RESPONSIBILITY

The kit will be ready for checkout at the scheduled pick-up time at the Museum. We request that you alone be responsible for the Kit. You will ultimately oversee all items enclosed, as well as the scheduling and distribution of the Kit to the different teachers and PTA members at your school. Please make sure to sign this agreement, make a copy for your records, and return the original to the Museum.

EVALUATION

Included in the Kit will also be an evaluation form for you and for each teacher or PTA member who uses the Kit. In order to better prepare and distribute our Kits to schools, we would greatly appreciate your feedback and that of the teachers about the GEN Science Night Program. We ask your help in encouraging teachers to return the evaluations to you before the Kit is returned to the Museum.

CONTACT INFORMATION

If you have any questions or concerns about the GEN Kits, before, during or after you have received it; please feel free to contact me at the Museum of Natural History by email at hoffman@uga.edu.

CONTRACT AGREEMENT

I, _____, representative for _____, have read the above terms and conditions and do hereby agree to take full responsibility for the Garden Earth Naturalist Science Night Kits.
