

Who is a Naturalist? *PowerPoint*

Essential Question:

What is a naturalist?

At a Glance: Learners are introduced to well-known naturalists and their work through a PowerPoint presentation.

Background Information:

This PowerPoint introduces several well-known naturalists who can serve as role models to learners in your Garden Earth Naturalist club.

As learners discover the impact these famous naturalists had on their world, they can aspire and plan to make a positive impact on their school site or local environment through their Club's service learning project.

Getting Ready:

Set up the equipment necessary for showing the PowerPoint presentation.

Procedure:

1. Show PowerPoint presentation.

Discussion/Assessment:

- What is a naturalist?
- Who were some famous naturalists?
- What can I do as a Garden Earth Naturalist to improve my school site or local community?
